Product Details

Manufacturer Detail

SOLYX® SXWV-0200 Clear Luster film is recommended for application to interior, single or double pane, and exterior facing glass. This film has a total nominal thickness of 3.5 mil (89 micron). Manufactured from durable PVC, perfect for semi-privacy, decorative or architectural applications. Supplied with a silicone paper liner, which protects the clear, pressure-sensitive adhesive, and applied using the same tools and techniques for window films.

Installation and Warranty

Installation

Installation should be in accordance with manufacturer's installation instructions.

Warranty

This SOLYX® product will be free from defects in material and manufacture for a period of five (5) years from the date of installation. See warranty information for specific details
